**Subject:** Illinois River Modeling Information

Hi Rich,

- We are waiting on ODEQ/OWRB to let us know where they stand on the simple model (BATHTUB) development for Lake Tenkiller. I shared the model April 28, 2017 with ODEQ and OWRB.
- We are waiting on the CE-QUAL-W2 bathymetry data from OWRB. ODEQ stated that they do not have that information but asked OWRB if they had it. We initially requested the information from ODEQ on July 5, 2017.

Hope this helps.

Taim.
